ELXIS MEDICAL

BRUNO VASSARI

All treatments bearing the indication Physis are performed with the use of completely natural products that are prepared in front of you at the moment of the treatment completely tailor made to your specific needs and wishes.

Every component used is 100% natural and biological without the slightest tampering straight from the unspoiled Greek land. From nature's laboratory straight to your skin. Use a completely natural path to combat sun burns, acne symptoms, bad circulation, cellulite and many more.

Ares 60'

Spoil yourself with a unique combination of a full body massage ritual with use of hand, stones and towels, exactly as Herodotus described it to be the welcoming treatment of the ancient Amazons.

Aphrodite 90' Physis

Let go in total relaxation experience of a facial and body massage from tip to toe. Inspired by depictions found on relics dating back to the Minoan civilization. Get lost in an ancient sea of total relaxation.

Athena 60'

Based on Hippocrates' therapeutical massage techniques with the use of cups, herbs and honey. Rejuvenation and relaxation of body and mind meets skin care.

Demetra 60' Physis

Special massage technique with the use of virgin green olive oil, as it was done in ancient Sparta. Combine relaxation with a totally natural skin nourishment.

Estia 75'

Become a time traveller and experience the original ancient greek hospitality treatment. A full body scrub with salts from the greek seas followed by a ritual full body massage.

Hera 60' Physis

Indulge in a massage ritual for your body and enjoy the benefits of lemon and orange extracts prepared completely natural in front of you!

Dias 90' Physis

Feel like the ancient royal couples. Enjoy a couples massage, that according to the historian Xenofon, Kings and Queens of the ancient era chose as the ritual treatment after the royal wedding.

Dionysos 60'

Inspired by historical references for the use of wine as a health and beauty instrument, combines ancient-Greek and modern cosmetology in this cycle, five pipelines of high anti-wrinkle action. It is recommended in combination with botox, it may extend naturally the results for at least 5 weeks.

Poseidon 30' Physis

Scrub for the whole body as it was performed in ancient Greece, using salts from the Greek seas! Stimulate your senses and tone your skin

Hermes 60' Physis

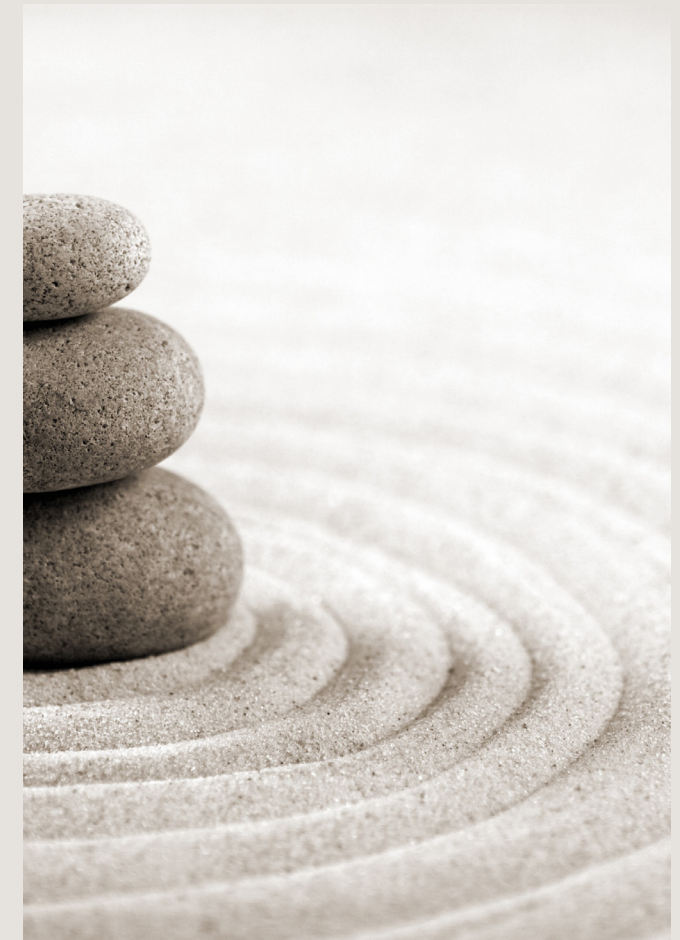

Full body massage with honey and royal jelly, highly nutritious for the skin, very popular in the Mycenaean civilization 3500 years ago. Apart from being the main sweetener in Antiquity, the Mycenaean texts witness the large-scale use of honey in the perfume industry and for beauty purposes.

Artemis 60' Physis

Inspired by ancient depictions found in Attica, facial treatment with strong anti-aging and moisturizing effect with the help of thyme and oregano. All products used are natural.

Apollon 60' Physis

An ode to Apollo, the solar deity of the Ancient Greeks. Protect and nourish your skin after exposure it to the Greek sunshine with a completely natural regimen brew! Aloe with the help of Apollo, strengthen the skin of your face.

In treatments we are using the world famous recognized care & beauty products
